There's not a Christmas card, decoration, or any other expression where the colour red doesn't feature during Christmas. Red symbolises vitality and royalty at this time of year. We simply think it's a beautiful colour. So that's why everything is red this year.

From the Christmas tree to the table settings, from decorations to staff attire. Everything is in monochrome red! From warm red, cool red, neutral red to deep red, light red, bright red to muted red. Ho! Ho! Ho! What a Christmas
